Inclusive Family Resource List

Community supports, agencies, and resources for families

Effective: September 2026 | Contact Information Verified: September 2026 | Reviewed Annually

Country Lane Early Learning keeps this list available to connect families with screening, evaluation, early intervention, disability-specific support, health services, education, and advocacy. The list includes nine Utah or local resources and one supplemental online screening tool. Resources that provide an assessment or evaluation are clearly identified. Availability, eligibility, fees, and service areas may change. Families should confirm details directly with each organization. Country Lane staff will assist with referrals upon request.
